

## NOTICE OF LIMITATION OF LIABILITY

FOR INFORMATION PURPOSES  
REGARDING THE FREE SUBSCRIPTION OFFERED TO SOME CLIENTS BY THE  
VALCARTIER FAMILY CENTRE

Telemedicine refers to health services offered at a distance using information and communication technology provided by Medisys Corporate Health LP (“**MeDISYS**”). Services provided by Medisys must not be used for medical emergencies; the nearest emergency services should be contacted as a priority in the event of a medical emergency.

The Valcartier Family Centre would like to point out that:

- Telemedicine services are provided by Medisys or one of its subsidiaries. This entity is completely independent from the Valcartier Family Centre and is neither affiliated nor associated with it.
- Telemedicine services provided by Medisys are part of a subscription available exclusively from Assurances Wagner Bujold Leduc inc.
- The Valcartier Family Centre is only acting as an intermediary between clients, Medisys and/or Assurances Wagner Bujold Leduc inc.
- The subscription offered is for a one-year term starting on January 1, 2019, which may be renewable, at the clients’ expense, under a new written agreement to be entered into between the parties for subsequent years.
- In order to benefit from the Medisys services, I must accept the terms and conditions of use established by Assurances Wagner Bujold Leduc inc. upon registration.

### **EXCLUSION OF WARRANTY AND LIMITATION OF LIABILITY**

- The Valcartier Family Centre makes no representation or warranty regarding the qualifications or representations of the health professionals or related to the quality, accuracy legality or performance of the telemedicine health services provided by Medisys.
- The Valcartier Family Centre shall at no time be liable for any direct or indirect, principal or incidental, punitive or exemplary damages that may be incurred in connection with the services provided by Medisys and/or one of its subsidiaries, regardless of the cause and the type of liability involved, including, but not limited to, any damage resulting from opinions and/or advice obtained from Medisys, any loss of profit, missed opportunity, loss of data, loss of savings, loss of enjoyment, lack of availability of any facilities, as well as any losses due to computer viruses, data corruption, transmission errors or problems or any other intangible loss. This will be the case, in the event that the Valcartier Family Centre is, or is not, informed in advance of the possibility of such damages, liquidated damages or claims.
