August 2020

## Community & Military Leaders and Members

Our Shilo Military Family Resource Centre (SMFRC) will hold the Annual General Meeting (AGM) on Thursday, 17 September 2020 at the Shilo Junior Ranks Mess. Reception and registration will commence at 6:30 pm and the AGM at 7:00 pm.

In support of our military families we respectfully request your cooperation and support. We need to ensure the widest advertising distribution. We need your support to encourage participation of eligible voting members and we need your support to encourage volunteer Board members. It is extremely important that community members attend to be informed and to have a say in who governs our SMFRC.

Active volunteer Board members are essential to enable our SMFRC to provide the programs and services that our military families deserve. Board members are leaders that are part of the support that ensures our families are cared for, in turn enabling our military members to conduct military operations in support of this great nation. This is an ideal opportunity to support the organization that supports you.

To meet our Board composition requirements we need military spouses, daycare parents and community members. To best enable the Board of Directors, we need experience in business and strategic planning, fund development, information management, human resources, finance, not for profit. Mostly, we need dedicated volunteers that can commit to the responsibilities of a professional Board of Directors.

Membership drives what the Shilo MFRC offers for programs and services, and without input and engagement we can not improve our services to the military community. With your support you will enable us to support our families, in turn our military members will effectively enable military operations.

James M Doppler  
Board Chair, Board of Directors  
Shilo Military Family Resource Centre
