

Attention members of the Veteran Community

If I sprain my ankle, chances are you will know what to do.

If I have a panic attack, chances are you won't.

Become certified in Mental Health First Aid

In support of the Veteran Community and in partnership with Veterans Affairs Canada, a customized version of the Mental Health First Aid for members of the

Mental Health First Aid Veteran Community is the help provided to members of the Veteran Community developing a mental health problem or experiencing a mental health crisis. It does not train people to become counsellors or therapists and just like with physical first aid, we need to ensure that those most in contact with members of the Veteran Community can identify an emerging mental health problem and respond effectively in the event of a crisis.
