

MEDICAL CLINICS OFFERING WALK-IN SERVICES IN THE MONTREAL AREA

IMPORTANT: The information listed below is therefore provided for information only and may be subject to change without notice. It is important to call before going to a clinic. Some fees may be charged if you use Bonjour Santé.

Given the very large number of clinics in the Montreal area, the list below focusses on those offering drop-in services in the area of the Montreal Garrison. If you live in a neighbourhood farther away from the area, we recommend you consult the site www.sante.gouv.qc.ca/repertoire-ressources/ and then conduct a search using your postal code to find a clinic near where you live.

*When registering for a drop-in visit on line or over the phone, a health card number is often requested. Therefore, make sure you have yours on hand when you are registering. If you do not have it with you, contact the clinic's reception desk to find out how to access the services without a health card number.
