

Our mission

The Valcartier Family Centre, hereafter VFC, is a community organization, governed by military families, that welcomes and supports individuals and their families from the time they enter the military community to the time they rejoin the civilian community. At the heart of the Eastern Quebec military community, the VFC recognizes their unique experiences and capabilities.

Our vision

The VFC is an organization recognized by the military and civilian community for its leading expertise, caring leadership and innovative services focused on the needs of military families. Working within an effective structure, the VFC contributes to the well-being of the military community with the support of a competent, compassionate and committed team and a network of important partners.
